Women Inclined To Constipation

Great Care Should Be Taken Not to Use Violent Cathartics

Women, owing to their peculiar functions, are more or less liable to constipation and many of them owe their continued ill health to the pill habit. A well known physician lays the majority of cases of foul breath, bad complexion, disordered stomach, sick headache and female weakness to constipation and the constant use of violent cathartics to overcome it.

We believe women will be glad to learn of a safe reliable bowel and stomach remedy that is pleasant to take and that the first few doses will certainly produce natural daily movements without pain or gripe and in a short time establish a permanent cure. It is so effective it has cured cases of 60 years' standing and yet so mild and safe thousands of mothers give it to their babies. Jennie Gresham, Nashville, Tenn., says: "I suffered almost death with torpid liver and indigestion and Dr. Caldwell's Syrup Pepsin gave me quick relief." Slater M. Berchmans, of Mt. St. Mary's Academy, Oklahoma City, says: "We have found Dr. Caldwell's Syrup Pepsin satisfactory as a gentle laxative and stomach tonic."

Mrs. Myrtle Mather, Chicago, says: "My daughter was troubled since birth with constipation and sick headache. Dr. Caldwell's Syrup Pepsin cured her." Mrs. W. M. Powers, New Philadelphia, Ohio, says: "It is the best remedy for constipation and stomach trouble I have ever used."

Mrs. R. H. Brown, Addington, Ohio, says: "I gave her prompt relief from constipation and torpid liver. Mrs. Isabelle Wheeler, Freeport, Ind., says: "Twenty-three years ago I was taken with stomach trouble. Three years ago I had become so weak I could hardly walk. I took Dr. Caldwell's Syrup Pepsin and today am as well as ever." Druggists sell it at 50c and \$1.00 per bottle.

We are glad to send a free sample to any one who has not used it and will give a full trial. Address: Pepsin Syrup Co., 901 Caldwell Bldg., Monticello, Ill.

Hall--Moore.

E. Clyde Hall, the eldest son of Mr. and Mrs. J. H. Hall of this city, was married last Friday afternoon at 5 o'clock to Miss Marion Moore, of 2400 Forest avenue, Kansas City, Rev. Hughes of Kansas City officiating. Mr. Hall and Miss Moore had been engaged for some time and expected to be married later in the fall; but last week he got his vacation and decided that it would not be worth while if he took it alone. The young lady needed very little persuading and so they were quietly married and left for St. Louis.

Mr. Hall is well-known in Lexington, where he lived until about four years ago. He is a graduate of Wentworth Military academy, where he always stood high in his studies. He entered the newspaper business as reporter for the Intelligencer. From here he went to Kansas and then went to Kansas City as railroad editor of the Journal. He is now assistant telegraph editor of that paper. He gives every promise of standing in a few years near the top of his profession. His bride is an extraordinarily attractive and accomplished young lady.

How's This?

We offer One Hundred Dollars reward for any case of Catarrh that cannot be cured by Hall's Catarrh Cure. F. J. CHANEY & CO., Toledo, O.

We, the undersigned, have known F. J. Cheney for the last fifteen years and believe him perfectly honorably in all business transactions and financially able to carry out any obligations made by his firm.

Walding, Kinnan & Marvin, Wholesale Druggists, Toledo, O.

Hall's Catarrh Cure is taken inwardly, acting directly upon the blood and mucous surface of the system. Testimonials sent free. Price 50c per bottle. Sold by all Druggists.

Take Hall's Family Pills for constipation.

Merchants Polished the W. S. D. Co.

By playing superior ball, both in the field and at the bat, the Lexington Merchants came from behind Sunday and smothered a 5 to 2 defeat upon the Western Sash and Door company of Kansas City. The air-admitters juggled the pill with consistent regularity when they were supposed to be receiving contributions in the field from the Merchants' sticks and frequent fumbles helped to cause their dismemberment. The Merchants played good ball at all times and won a deserved game. Terhune and McDonald heaved the pill for the town boys and Mallott was behind the bat.

To Be Happy

You must have good health. You can't have good health if your liver is not doing its duty—slow but sure poisoning is going on all the time under such circumstances. Mr. Gordon is exceedingly popular in Lexington, where he lived for a number of years. He is now engaged in Y. M. C. A. work in St. Louis and is meeting with great success. His wedding was a surprise even to his relatives.

County Exhibitors.

I wish to inform your readers that I now have a supply of State Fair Premium lists for distribution to those who are interested in making exhibits at the Missouri State Fair this fall. The State Fair dates are Oct. 3rd to 9th inclusive.

The premium catalogue shows largely increased premiums and the addition of an Educational Department, which means that the Missouri State Fair is growing. It is a great Educational Institution and we hope your readers will secure a premium list and enter a large number of exhibits.

The State of Missouri has invested over a half million dollars in buildings and other improvements for the State Fair at Sedalia, and furnishes a splendid opportunity for this County to advertise its many resources, and show to the State at large, the advancement we have made in live stock breeding, Agriculture and education. Every effort should be made to have this county represented in a creditable manner. Copies of this Catalogue can be secured by calling at my office.
